William Hayden Edwards was born in Ripley and was graduated from the Law School in Cincinnati at the age of 19. He was one of the best known figures in our foreign service, and enjoyed a high social position at the German capital, where he has been stationed nearly five years. He was appointed from Ohio and has been almost seventeen years in the service of the State Department. His first appointment was as Secretary of Legation to Brazil, October 30th, 1877, and he acted as Charge d'Affaires ad interim from December 7th, 1877, to February 18th, 1878.

In June, 1878, he was appointed Consul General at St. Petersburg, and retired there September 30th, 1880. He was Assistant Counsel for the United States before the French-American Claims Commission, July 6th, 1882; was appointed Chief of the Diplomatic Bureau in the State Department, May 1st, 1884, and retired from that office April 15th, 1885, to become Private Secretary to the U. S. Minister to Holland. He was appointed Consul General at Scheidam, Netherlands, June 8th, 1885, and went to the post he held at the time of his death at Berlin, July 1st, 1889. He was a warm friend of Walker Blaine, to whom he owed his last office, which was one of the most lucrative in our Consular service. He was well known in social and club circles in Washington. Mr. Edwards was married August 17th, 1889, while Private Secretary to the U. S. Minister at The Hague, to Fanny Elizabeth, Baroness Van Heeckeren, Van Meleaten, cousin of the King of Holland. The marriage was celebrated at Apeldoorn, Netherlands.

The Masonic Bodies of Louisville have arranged for an entertainment at the Auditorium June 25th, for the benefit of the Masonic Widows and Orphan Home. GET STRONG BEFORE SPRING.

Hard to Gain Strength During Hot, Debilitating Weather—Most Favorable Results From Paine's Celery Compound in May.

Now or never get health and strength.

The most obstinate indoor dwellers get a snail's foot in May.

No one altogether escapes the spring of the blood. The most delicate and confirmed invalids now venture on short rides and walks. May is the blessed month for convalescents. "When May comes I'll get well," is the cry all through winter. There are fewer obstacles to getting well in May—no cold winds to bring relapses and exhaustive sickness nor debilitating heat to rob one of strength.

A sweeping glance over the land would show millions of weak, nervous, ailing men and women every year growing stronger and getting rid of lingering diseases by using Paine's Celery Compound this month, when this remarkable blood and nerve remedy works best hand in hand with nature's purpose to give

every animate thing new life, strength and happiness in spring.

Paine's Celery Compound hastens convalescence from all wasting and nervous diseases.

It feeds badly nourished nerves and takes away the irritability and pain. It purifies the blood and supplies rich material for new healthy tissues all over the body. Professor Edward A. Phelps, M. D., U. S. D., of Dartmouth College, discovered Paine's Celery Compound in the new famous laboratory of the college.

The world is full of busy, thankful men and women who owe their health, energy and very existence to Paine's Celery Compound. An immense burden of rheumatism, kidney troubles, constipation, salt rheum, eczema, disordered liver and blood diseases has been lifted from the world since Paine's Celery Compound came into it.

Your own physician will tell you how valuable physicians rely on Paine's Celery Compound as an invigorator and strengthener for body, nerves and brain. It makes people well.

Spring is busy with marvelous rapid changes in the tissues of the body. Now is the time to permanently cure nervous weakness, neuritis, headache and dyspepsia by using Paine's Celery Compound to build up healthy tissues in place of the diseased parts.

Pure, rich blood sent through the deep parts of the heart, liver and kidneys, leaving in its passage material for rapid repair, and taking away all the waste and used-up, harmful elements, soon drives out weakness from these organs and restores their healthy functions.

Paine's Celery Compound makes new, abundant blood, regulates and feeds worn-out nerves, and builds up the strength of the body.

EPWORTH LEAGUE.

Meeting of the Covington District in the M. E. Church.

LIST OF DELEGATES HERE.

One of the Most Interesting Meetings Yet Held By This Young People's Society.

The Covington District Epworth League Convention is in session in our city.

This gathering of young people from all parts of the Covington District met yesterday morning at 10:30 a. m., and to say the Convention is a success would be putting it mildly.

The program is an interesting one, one that was gotten up with great care, and in the handling of the different subjects the speakers had evidently prepared themselves to try and outdo each other.

The address of welcome was delivered by J. Robert Seaman of this city in a very eloquent manner, while the response was delivered by Rev. F. W. Harrop of Milldale, in which he assured the audience that they had come to enjoy themselves as well as to "let their lights so shine that others, seeing them, would glorify their father who is in heaven." At 11 o'clock Rev. Harrop addressed the Convention on the subject, "Are Epworth League Students Desirable," in which he set forth several good points. He spoke about twenty minutes.

"How Can a League Convention Be Made Most Profitable?" was down on the program, but the speakers being absent the topic was not discussed.

At 12 o'clock the Convention adjourned for dinner.

Immediately at 2:30 p. m. the Convention reconvened, the first thing on the program being "Literary Culture in the League," which was discussed by Miss Lizzie Griffith of Dayton, a very interesting talker, and Rev. W. G. Bradford of Bellevue, who was also a good talker. These two speakers consumed just one hour.

At 3:30 p. m. "Spiritual Culture in the League" was taken up, and Miss Mollie Heflin of this city being down on the program, read a very interesting paper on the subject, which was highly complimented by all present.

When the Secretary read off of the program "Reports From the League Chapter," everyone brushed up their ears to listen. The several reports presented were of the highest order, there being six departments in the League. We will only note one or a part of one, however, as it would take too long to get them. The Mercy and Help Department is the one we have reference to, and it is a grand report, too: Number of visits made, 1,444; number of tracts distributed, 218; number of persons supplied with food, 80; at a cost of \$187.34; number of persons supplied with clothing, 107; at a cost of \$130.75; number of persons to whom fuel was distributed, 30, at a cost of \$39.75; number of persons supplied with medicine, 13, cost, \$14.10; number of persons to whom flowers were sent, 60, at a cost of \$187.34; number of persons supplied with soap, 107, at a cost of \$84; employment was found for 30; buried one man at a cost of \$26.50.

Total number of persons helped, more than 1,147; total amount of money expended, \$430.14. Now this is only one department, and what is a understatement can see what a grand work the Epworth League is doing.

The results of the above work were, conversely, 158; united with church, 157; united with Sunday-school, 226; while 180 joined the League. There were more than 50 members in this grand work. The sick, suffering and dying have had the comforting attention and care of some of the finest young ladies in the state, and when death has come the widows and fatherless have still known the gentle ministrations of some of Christ's little ones in their afflictions.

Rev. D. W. Clark of Union Church, Covington, spoke last night on "The Yesterday, Today and Tomorrow of the Epworth League," and to appreciate this one would only have to hear Rev. Clark talk on the subject.

The services closed with a consecration exercise, led by Rev. D. P. Holt, and it is needless to say it was a success. The delegates in attendance are as follows:

Augusta—Miss Clara Fagan, John D. Clarks, Laura L. Clarks, J. S. Bellevue—J. S. Hancock, W. M. Kinsley, Miss Eva Parish, Rev. W. G. Bradford.

California—Miss William J. Hissom.

Cold Springs—Miss M. H. Hissom, Rev. R. D. Wood.

Covington—Shinkle Church, Miss Alice Hanford, Main Street Church, Miss Mattie Costello, J. R. Duffy, Union Church, Rev. D. W. Clark.

Dayton—Miss Lizzie M. Griffith, Mrs. Marion P. Hill, Rev. Amos Boring.

Foster—J. H. Ketchum, R. S. Holmes, Ludlow—Miss Alice Sechrist, Miss Grace Yenn.

Maysville—Miss Essie Hutchins, Miss Anna Walsh, Miss Mollie Heflin, Miss Agnes Dodson, Miss Grace Bierbower, Miss Bertha E. Ort.

Milldale—Rev. F. W. Harrop and wife, Miss Mattie Stebb.

Newport—B. W. E. Langebrake, Miss Lizzie Pattison, Edward Weekel, Miss Edith Ehlers, L. H. Wilson, Miss Freda Locke.

The meetings today will be very interesting, and we would especially urge everyone to attend tonight, as this is the closing of this successful gathering of young people from all over the District. Let the good, Christians and bad sinners attend tonight.

Frank Ball of Bell county is charged with murder, and the Governor offers \$500 for his arrest.

The Governor offers \$300 for the fellows who murdered John V. Brown in Logan county in 1889. Better late than never.

A meeting of the Alumnae of the Girl's High School is called for Friday afternoon at half past 2 o'clock. A full attendance is urged.

Principal of Girl's High School.

Tomorrow at 10 a. m. there will be a rehearsal of those who are to take part in Children's Day exercises at the Central Presbyterian Church, and it is requested that all will be present, so as the services will be made interesting.

Card of Thanks.

The following card was received too late for publication: We take this method in thanking our friends and neighbors for their kind assistance and favors rendered for us during our bereavement, and to Brother Cochrane for the noble work as a servant of God in the salvation of our brother, and for the sweet and soul-stirring music, and may you still use your talent in the service of the Lord until you are called to that triumphant choir above.

W. L. Davidson.

Lydia Duley was fined \$3 and costs yesterday for being drunk and disorderly.

The Maysville Cotton Mill has gone on the summer schedule of time. Hereafter on Saturdays the mill will stop at 12:30 p. m., giving the employees a Saturday half holiday.

J. David Dye, one of the most popular citizens of Mason county, is announced elsewhere in THE LEDGER as a candidate for Assessor, subject to the decision of the Republican Convention. Mr. Dye is in every way well qualified for the office, and if elected will fill the position with credit alike to himself and the party.

Notice to Baseball Players.

Under no circumstances will any exceptions be made to the above requirements.

What We May Expect For the Next Twenty-four Hours.

THE LEDGER'S WEATHER SIGNALS.

Blue—RAIN or SNOW;
With Black above—TWILY WARMER;

The above forecasts are made for a period of thirty-six hours, ending at 5 o'clock to-morrow evening.

MONSIEUR VERRES.

The night was dark, y'ks source could hear,
The solemn codfish baw:
The owl, somehow, forgot to howl,
The calf had lost his caul.

"The growing cold, the stove is cooled,"
The ice-man shrieked in glee,
The ice-man sought to lure his eyes,
He said: "My note is here!"

"I'll take her to a town that's Nice,
Mine ice is wasting here,
I'll get my eyesight back again,
Waltz here, I only hear!"

He sees the seas, and seizes hold
The rope, and down the hold
He howled, and knocked the Captain down,
Who cried: "You're overboard!"

"This is the Equinox," he cried,
"It knocks us equally,
The noxious both to man and beast,
Such seas these seasons see."

"Let me alone," the ice-man roared,
"I've grown afraid to run,"
"You alone?" the Captain cried,
"I'll do, and I'll do it!"

"This bounding billow's bound to bear
The passengers to land,
Abounding in the wealth they need,
This billow calls for sand."

The francs we'll frankly need in France;
Stranded we reach her strand,
Her banks can't check our cash advance;
They will not ban our land.

With health and eyesight both restored,
The nice and ice-man two
Will hike them back from Nice to ice,
The due they thus should do.

—St. Nicholas.

The anti-Paynterites of this city are grooming Judge LEIGH W. ROBERTSON for the Appellate rate. This is intended to destroy Mr. PAYNTER'S chances of getting the support of Mason county.

The speculation in grain has again broken records with the latest price ever made for wheat—Bullion.

Now look, here, Bro. MARSH, you are hereby "called down." This croaking must be stopped.

UNCLE SAM'S yellow gold is going across the ocean at the rate of \$5,000,000 to \$6,000,000 a week, and Secretary CARLISLE'S "reserve" has long since fallen below the danger line fixed by law. It will soon be time to issue another batch of bonds.

THE Republican Senators have been voting for some of the compromise amendments to the Tariff Bill, which shows that there won't be much "Democratic Tariff Reform" left in Professor WILSON'S production by the time it gets through the Senate threshing machine.

RECENT developments in connection with the Sugar Trust and the Tariff show that the Democratic Congressional Convention held in this city had good reason to denounce certain Democratic Senators as traitors. The denunciation might very properly have extended to President CLEVELAND and Secretary CARLISLE.

SENATOR ALDRICH was away within bounds when he declared that the Democrats would make 300 changes in their compromise Tariff schedule—the actual number exceeding 400. Perhaps the real cause of Mr. TURPIN'S sulphurous wrath was that Mr. ALDRICH was charitable enough to underestimate the truth about the Democratic juggling.

THE Senate Finance Committee has reported from 400 to 600 amendments to the Tariff Bill, which it made out of the Wilson Bill, but the Senate has as yet no information as to the effect these amendments will have on the revenue. It is customary for the Secretary of the Treasury to furnish such estimates before discussion of a Tariff Bill by paragraphs begins.

CHICAGO, May 12th.—Two thousand employees of the Pullman Palace Car Company quit work yesterday. Trouble has been brewing for some time, the men demanding the restoration of 25 per cent cut in the wages made last year. The officials of the company refused the demand and asserted that they were running the plant at a loss for the purpose of giving the men employment.—Saturday's Bulletin.

Hi, there, Bro. MARSH; we want you to cease your "prattings" about strikes under this good Democratic Administration. You are hereby "called down!"

PEOPLE are beginning to find out that the McKinley Law is the best thing for the whole country. A sugar convention was held at New Orleans, being attended by large numbers of representatives of the sugar interest of Louisiana. Resolutions were adopted declaring that the sugar schedule of the report of the Senate Finance Committee was inadequate for the protection to the home producer, and calling upon the Government to carry out the provisions of the McKinley Law.

COME to think of it, TOM PAYNTER'S record in Congress is a much better indorsement than the recent Democratic Convention could have given him. The latter was pretty much of a set-up job; the former is an open book.

FULL returns from Indiana show that if a state ticket had been voted for in the past election held there the Republicans would have won by from 40,000 to 50,000. And yet, there are some Democrats who pretend to think the people are still with them.

VOTERS who remember how *The Bulletin* and other Democratic organs used to howl in the old days whenever a Republican President or Cabinet officer took a Government vessel for a picnic or a fishing trip cannot help being amazed at the silence of these same old journals regarding Mr. CLEVELAND'S use of the lighthouse steamer *Violet* for his shooting excursions. Under the present Administration deadheading has acquired something of the proportions of an exact science.

Rev. Percy Gordon, former Assistant Rector of St. Paul's Episcopal Church in Louisville, has just received and accepted a call from the American Church in Geneva, Switzerland, at a handsome salary.

WHY NOT ALL THE TIME?
Chicago Tribune.
The conviction is general that the women in the Seventh Kentucky District ought to be allowed to vote this one time.

NOT A THING!
Colonel Beckleridge is now engaged in rebuking all Christians who are not ready to extend Christian forgiveness to him when he confesses his sins from the stump. But there is nothing in a Christian religion making a confession of sin a title in fee simple to a \$5,000 office.

AND THIS IS AMERICAN DIPLOMACY.
Secretary Gresham's letter practically favoring the abandonment of American interests in Samoa is characteristic entirely in harmony with former expressions from the same source with reference to the affairs of this Government in the islands of the Pacific. Having betrayed and deserted the cause of American ideas and principles in Hawaii, the Administration doubtless feels that consistency requires it to pursue the same infamous policy in dealing with Samoa.

The Monk!

By MATTHEW G. LEWIS, (MONK LEWIS).

Mr. Lewis was a member of the British Parliament, and his book became so popular in England a hundred years ago that it gained for him the title of "Monk Lewis."

It is a fine piece of classic composition, and after being out of print for many years it has been republished from the original text.

It is far superior to "Monsi Monk" and books of that character.
